Mercer Man Injured at Van Wert

Charles Lynch, of Mercer, was injured in an automobile and motorcycle accident at the corner of South Washington and Crawford streets, Sunday afternon, when the motorcycle which he was riding collided with a Reo car which was being driven by Sylvester Kirke, of Cincinnati. At the time of the accident neither machine was traveling at a high rate of speed, Lynch was coming east on Crawford street and as he started to turn on Washington street the Reo approached from the north. Lynch was thrown from his motorcycle to the street and dragged about 50 feet. When h was picked up he was unconscious. Dr. B. L. Good was called and gave medical attention. Examination proved that Lynch had been severely shaken up and had received bruises on the face arm and limbs.

No arrests were made but Kirk made a cash deposit with the police to assure his appearing if any court investigation was made of the accident.
